MAHARISHI MAHESH YOGI RAMAYAN VISHWAVIDYALAYA

Majha Baretha National Highway 27, Ayodhya, (U.P.) 224123

—  [ramayanuniversityofficial](https://www.ramayanuniversityofficial.com) —

His Holiness Maharishi Mahesh Yogi,

The most devoted disciple of Sri Gurudev Anant Sri Vibhuti Swami Brahmananda Saraswati Ji, Jyotishpeethodharak Shankaracharya of Jyotish Peeth, Badrikashram Himalaya is widely regarded as the foremost scientist in the field of consciousness and is considered the greatest teacher in world history. More than 10 million people in all parts of the world and from all walks of life practice Maharishi's Transcendental Meditation. So far, 40,000 teachers of Transcendental Meditation have been trained, and more continue to be trained.

Additionally, more than 5 million people have learned Maharishi's Transcendental Meditation Siddhi program and actively practice Yogic Flying.

An important aspect of the Global Nation of Peace is the Ram Currency, a global development currency, issued to eliminate poverty and usher in a new era of prosperity and peace for all humanity for all times, It should be the endeavour of all governments to use this concept to improve the economy of their countries.

Maharishi Ji has given a plan to establish 3000 peace centres of world governance through Maharishi Vishwavyapari Ramrajya capitals in major cities worldwide.

The Great Visionary
Leadership of Chancellor
Ajay Prakash Shrivastava

Greetings from the Chancellor of the University, a unique educational institution that puts the focus back on the intended goal of the education system: the complete, Holistic development of the student. Our goal is to ensure that the student does not become merely a bread Earner but a Healthy, Happy, Creative, Empathetic, Stress-free individual who contributes maximally to the continuous growth of Self, Family, Society, Country, and the World.

This is made possible through an Amalgamation of the Vedic concept of Consciousness, the basis that allows for the use of the full creative power of the fundamental laws of nature for effortless evolution in all areas of life, with Modern Curriculum, Updated Technology, and Student-Centric Teaching methods. Transcendental Meditation, a practical, scientifically verified, globally recognized meditation technique, is practiced by all the students and Faculty, which lends the University Atmosphere an Air of Peace, Progress, Synergy, and Sustained Evolution.

Shri Ajay Prakash Shrivastava
Chancellor

Maharishi Mahesh Yogi Ramayan Vishwavidyalaya

General Secretary of
Maharishi Mahesh Yogi Sansthan

About Us

Maharishi Mahesh Yogi Ramayan Vishwavidyalaya has been established with the primary objective of providing opportunities for intellectual renewal for ROLE EFFECTIVENESS at graduate, post graduate, and doctoral levels of higher education. The University offers Programs in various subjects related to Shri Ramayana, Ramleela and Ram Raj including Maharishi Vedic Science and Technology, Sanskrit, Humanities and Fine Arts, Business Management, Commerce and Entrepreneurship, Science and Applied Science, Health Science, Social Science, Computer Applications, Engineering and Technology etc.

Our Advantage

-  Industry-Oriented Curriculum
-  Digital, AI & Emerging Tech
-  Modern Labs & Infrastructure
-  Incubation & Innovation Support
-  Affordable Fees & Scholarships

-  Strong Training & Placement Cell
-  Academic & Industry Experts
-  Research & Innovation Driven
-  Career-Oriented Training
-  Safe & Green Campus

Our Mission, Vision & Campus Excellence

Mission

To provide quality education and training that help each student grow into a complete individual-physically strong, emotionally mature, intellectually enlightened, aesthetically developed, morally sound, and spiritually inclined.

Vision

To transform the latent potential of every student into real achievement by nurturing Creative Intelligence, with a strong focus on employability and entrepreneurial skills.

Campus Facilities

Vishwavidyalaya offers modern, well-equipped campus facilities that create a vibrant, safe, and student-friendly learning environment, ensuring academic excellence along with overall personality development.

Campus

Lush Green & Spacious Campus

Wi-fi

Wi-fi facility is available 24X7 covering the entire campus

Security

Security of the students is one of the University's highest priorities.

Library

Well-Stocked Library

Canteen

Hygienic and Well-Maintained Canteen Facility

Programs offered

Maharishi School of Engineering & Technology

Maharishi School of Engineering & Technology is one of the important components of the Vishwavidyalaya, imparting education in all streams of engineering including Computer Applications, Bachelor's and Master's in Computer Science and information Technology. It is one of those Schools of the University that offers programs that provide applied knowledge and skills in the field of Engineering and Technology. The School is well equipped with decent infrastructure required for imparting the education in this field. The faculty members are highly qualified for the purpose and interact with the students at all levels to provide solutions at every stage. The Placement Cell is also actively involved with the students to get them placed in reputed organizations. The school also encourages the students to participate in all curricular and co-curricular activities for all round development of the students. The school offers Bachelor's (B. Tech/BCA), Master's (M. Tech/ MCA), Diploma Programs in various branches such as CSE/CE/EE/ECE/ME in different modes.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year	Duration of year
Engineering	B. Tech CSE / ME / EE / ECE / CE (Regular / Evening)	10+2 minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Physics, Maths, Chemistry/IT/CS	80000.00	4 Years / 8 Semesters
	B.Tech in AI & ML (Powered by GUVI-HCL)	90000.00			
	B. Tech CSE / ME / EE / ECE / CE (Lateral entry)	Diploma minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD or B.Sc. minimum 45% marks for Gen and 40% for SC/ST/PWD and 10+2 with Maths	80000.00	3 Years / 6 Semesters	
	M. Tech (Software Engineering, Production Engineering, CTM, AI, Structural Engineering, Communication System, Power System) Regular / Evening / Part Time	Passed Bachelor's Degree or equivalent in the relevant field. Obtained at least 50% marks for Gen/OBC and 45% for SC/ST students	B.tech in relevant Stream	68000.00	2 Years / 4 Semesters
Computer Application	BCA	10+2 minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Any stream	50000.00	4 Years / 8 Semesters
	MCA	Passed BCA/Bachelor Degree in Computer Science Engineering or Equivalent Degree. OR Passed B.Sc./B.Com./BA with Mathematics at 10+2 Level or at Graduation Level. Obtained at least 50% marks for Gen/OBC and 45% marks for SC/ST Students	Computer Science / Mathematics	60000.00	2 Years / 4 Semesters
Diploma	CS / ME / EE / ECE / CE (Regular / Evening)	Passed 10th examination with at least 35% marks	No specification	25000.00	3 Years / 6 Semesters
	CS / ME / EE / ECE / CE (Part Time)				4 Years / 8 Semesters
	CS / ME / EE / ECE / CE (Lateral entry)	10+2 with Science stream or 10th + 2 years ITI			2 Years / 4 Semesters

Programs offered

Maharishi Ramayan School of Pharmaceutical Sciences

"Pharmacy is not only a profession but a passion to save lives."

The School is dedicated to excellence in pharmaceutical education and research.

With modern infrastructure, smart classrooms, and state-of-the-art laboratories, it provides students with strong academic foundations and practical exposure.

Our mission is to prepare competent professionals committed to advancing community health and the healthcare sector.

Programme	Eligibility Criteria	Compulsory Subjects	Fee per year	Duration of year
B. Pharm*	10+2 General/OBC/PH/EWS/SC/ST- 50%	English as a compulsory subject, with Physics, Chemistry, and Mathematics (PCM) and/or Biology (PCB / PCMB) as optional subjects.	80000.00	4 Years / 8 Semesters
D. Pharm*	Diploma in Pharmacy - A pass in 10+2 examination General/OBC/PH/EWS/ SC/ST- 50%	Physics, Chemistry and Biology or Mathematics.	60000.00	2 Years

*Subject to approval from PCI.

Maharishi School of Business Management

The Maharishi School of Business Management endeavors to provide the best quality and industry based education in the field of commerce and management to the students for their better future and career. The school consistently emphasizes on concept building, skill based education, industry exposure and developing entrepreneurial temperament, along with inculcating managerial skills via various industry-academic interfaces through appropriate curriculum design, industry tie-ups and incubation cell facilities. The school continuously focuses on learning of modern and innovative teaching Pedagogy and upgradation of faculty knowledge and expertise in their specialized areas.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year	Duration of year
Commerce	B.Com.	10+2 with minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Science / Commerce	24000.00	4 Years / 8 Semesters
	M.Com.	B.Com/BBA/BA with Economics, min marks 45% for Gen/OBC and 40% for SC/ST	Commerce	15000.00	2 Years / 4 Semesters
Management	BBA	10+2 with minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Any stream	50000.00	4 Years / 8 Semesters
	MBA (HR, Finance, Marketing, IT, Hospitality Management, IB) Dual Specialization	Passed Bachelor Degree of Minimum 3 Years duration. Obtained 50% marks for Gen / OBC and 45% for SC/ST students	Any stream	60000.00	2 Years / 4 Semesters
	MBA (Business Analytics) Powered by GUVI-HCL	80000.00			

Programs offered

Maharishi School of Sciences

The Maharishi School of Sciences provides a comprehensive education in Applied Sciences, encompassing Zoology, Botany, Physics, Chemistry, Mathematics, and Biotechnology. The school recognizes the importance of these disciplines in understanding the natural world and emphasizes their practical applications in our daily lives. While often perceived as challenging, science is presented as a natural and accessible field, exploring phenomena we often take for granted. The curriculum aims to foster critical thinking, problem-solving skills, and a deeper appreciation for the interconnectedness of scientific principles, ultimately empowering students to contribute to a brighter and more fulfilling future.

Programme	Eligibility Criteria	Compulsory Subjects	Fee per year	Duration of year
B.Sc. (Biotechnology/ Physics / Chemistry / Mathematics / Botany / Zoology)	10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Physics, Chemistry, Maths / Biology /CS/IT	24000.00	4 Years / 8 Semesters
M.Sc. (Biotechnology/ Physics / Chemistry / Mathematics / Botany / Zoology)	B.Sc. with min. marks 45% for Gen/OBC & 40% for SC/ST	Graduation in relevant field	30000.00	2 Years / 4 Semesters

Maharishi School of Humanities

The Maharishi School of Humanities delves into the complexities of human society and culture through a wide range of disciplines, including History, Political Science, Sociology, Psychology, English, Economics, Hindi, and Education. These studies encourage students to explore diverse perspectives, develop empathy, and cultivate a nuanced understanding of the human experience. By examining historical events, social structures, political systems, and cultural expressions, the School of Humanities aims to foster critical thinking, effective communication, and a strong sense of civic responsibility. Ultimately, the goal is to equip students with the knowledge and skills necessary to navigate an increasingly interconnected world and contribute meaningfully to society.

Programme	Eligibility Criteria	Compulsory Subjects	Fee per year	Duration of year
BA (English / Psychology / Political Science / Economics / Sociology/ Hindi / History / Social work / Education)	10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Any stream	12000.00	4 Years / 8 Semesters
Bachelor of Library Science (B.Lib.)	Bachelor (Three Years) Degree of recognised university with 45% and above.	Any stream	18000.00	1 Year / 2 Semesters
MA (English / Psychology / Political Science / Economics / Sociology/ Hindi / History / MSW / Education)	Graduation in any discipline with min marks 45% for Gen/OBC and 40% for SC/ST	Any stream	12000.00	2 Years / 4 Semesters
Master of Library Science (M.Lib.)	B. Lib. From recognised university with 45% marks		22000.00	1 Year / 2 Semesters

Programs offered

Maharishi School of Vedic Sciences

The Maharishi School of Vedic Sciences offers a transformative and consciousness-based education that seamlessly integrates ancient Vedic wisdom with modern scientific understanding. Rooted in the timeless teachings of Maharishi Mahesh Yogi, the School is dedicated to fulfilling the highest objective of education the full development of the student.

Established with the vision of understanding Consciousness as the basis of all knowledge, the School explores how the Unified Field of pure consciousness, which governs the laws of nature and the functioning of the universe, is directly accessible within every individual. By awakening this inner field of intelligence, students are guided to unfold their full mental, emotional, and spiritual potential.

The curriculum emphasizes Transcendental Meditation, yoga, Maharishi's Science of Creative Intelligence, and other consciousness-based techniques, enabling students to experience clarity of mind, emotional resilience, inner peace, creativity, and self-awareness. The School brings together the disciplines of Vedic Sciences, the Vedas, Upanishads, the 18 Puranas, Jyotish, Sthapatyaveda, Shlokas, the Ramayana, the Mahabharata, the Bhagavad Gita, Yoga, Vedic Mathematics, Upangas, Indian inventions, the mysteries of temples, moral stories, the Sanskrit language, and herbology under one roof. Education here is not limited to intellectual growth alone; it nurtures sharp minds along with compassionate hearts, creating balance, bliss, and purpose in life.

With experienced faculty and a supportive academic environment, the School promotes learning in the light of Consciousness allowing students to discern fundamental values often hidden from view. This holistic approach prepares individuals for a stress-free, balanced, and continuously evolving future, empowering them to contribute positively to society and the global family of nations.

At the Maharishi School of Vedic Sciences, education goes beyond the accumulation of knowledge. It is a journey of self-discovery, empowerment, and fulfillment, where the quest for knowledge culminates in the realization of one's true potential.
